

COURSE INFORMATION

Dear students,

All basic materials required for our seminars are available on this site.

2 missed attendances are acceptable.

You can read, study and print materials at your convenience.

In the course of the semester you are supposed to take 3 progress tests, and 1 final credit test.

The dates and topics of the tests are as follows:

1st test October 19: 1st declension

2nd test November 16: 2nd declension

3rd test November 30: 3rd declension

4th test December 14: Final credit test

You will be given a one point bonus for each successfully passed progress test. These bonus points will be counted in your final test score. You will be able to practise for each test taking ROPOT exercises.

Good luck!
