Was this your experience of writing in Czech schools?

Typically, Czech students do very little independent writing at school.

They usually do not plan their writing.

...and when they write,

They just start.

they put down their ideas almost exactly as they think of them – that is,

in no particular order. They stop writing when they have run out of things to say...

if it is spelled correctly and written

Often writing in Czech schools is considered acceptable

	awas List	Test	コンザビコ 6 I 5 R I J K L M NO P 2 R	
	bad had sad	128 x 528 x 524 X	リテルキルエウタ	1
	bag wag jan	124 x 124 x 120 x	123436289680 alxdofghijkla	1º
	ran nan	ALD X	JJCEINOWY	4.6
	~ set	8	{(\$\$\$259\$\$\$)}	9.8 2
e.	HAR IN SHERE		The structure is not very impo	ortant 🌌

in a good style.
