

## THE PHO'NETICS AND PHO'NOLOGY SONG

I 'hoped that I may'be one day  
Would 'learn to speak the 'proper way  
Would 'master stress and 'good pronunci'ation  
The 'future though then 'seemed so far  
Cause 'there was no such a 'seminar  
At 'last there is a 'syllabus to 'guide me

*It's Pho'netics and Pho'nology course,  
of course*

And 'now we can every 'single week  
Get 'lectured about how 'wrong we speak  
To 'hell with it we em'brace 'criticism  
'Chomsky would be 'proud of us  
And 'Jakobson would 'join the class  
If 'he heard the im'proving stress and 'rhythm

*It's Pho'netics and Pho'nology course,  
of course*

**NOTE: Sung to the accompaniment of  
"Halleluyah in the style of Alexandra Burke  
karaoke"**
