My log does not judge.

Instead of the Film Club - Watching [The Killing \(Forbrydelsen\)](#) with official BBC subtitles (6 hours)

- Danish TV series from 2007 – similarities with Twin Peaks: one murder, nature of the North, bad weather, family of the victim important role
- Interesting translation
- Watched in Danish with official BBC subtitles
- Very different from much older Twin peaks
- The language was very present, not that stylish or specific, much more common and just normal
- Vocabulary was not that difficult. But of course there were plenty of words I didn't understand and wrote down. It was interesting also because it partly took place at the **Copenhagen's City hall**, so the vocabulary was not only from the criminal field but also from politics.

Vocabulary:

- **looker** – kočka, dohře vypadající člověk
- **Perpetrator** – zločinec, pachatel

Vocabulary:

- o **Rattle** – chrastít
- o **Haltmark** – pasc
- o **Palpably** – patrně
- o **Lag** – zpoždění
- o **Accountability** – zodpovědnost
- o **Abolition** – zrušení
- o **Oppression** – utlačování
- o **Liberty** – volnost, svoboda x freedom?
- o **Interregnum** – bezvláda

Watching Twin Peaks series (6 hours)

- Actors speak very clearly, loudly and often slowly
- I watch it with English subtitles, which, I believe, is the best way of learning while watching
- I also watch it on my computer so I can turn it back or forwards or pause whenever I want
- They have amazingly **colourful** vocabulary – good resource to learn from

Vocabulary:

- **Fella** – maník, chlápek
- **Crummy** – všivý, hnusný
- **Peculiar** – podivný
- **Puzzling** – záhadný
- **Classified** – tajný
- **Marital fidelity** – manželská věrnost
- **Antelope** – antilopa
- **Roust** – vyburcovat
- **Stretcher** – nosítka
- **Gal** – dívka
- **Fir** – jedle
- **Morgue** – márnice
- **Scrape** – škrábat
- **Muffle** – ztlumit

Sylvie
What exactly is the difference? Not to translate?
