Before St. Patrick's Day; Irish

1 Anyone not wearing green will be pinched. Find out who (what) a leprechaun is. Song: White Orange And Green.

2 and 4 Famine by Sinéad O'Connor (word stress).

Word stress exercise.

Song lyrics:

OK, I want to talk about Ireland  
Specifically I want to talk about the "famine"  
About the fact that there never really was one  
There was no "famine"  
See Irish people were only allowed to eat potatoes  
All of the other food  
Meat fish vegetables  
Were shipped out of the country under armed guard  
To England while the Irish people starved  
And then in the middle of all this  
They gave us money not to teach our children Irish  
And so we lost our history  
And this is what I think is still hurting me

See we're like a child that's been battered  
Has to drive itself out of it's head because it's frightened

**Gimson 3 Acoustic and Auditory Aspects of Speech pp. 18-26**

Still feels all the painful feelings  
But they lose contact with the memory

And this leads to massive self-destruction  
alcoholism, drug addiction  
All desperate attempts at running  
And in it's worst form  
Becomes actual killing

And if there ever is gonna be healing  
There has to be remembering  
And then grieving  
So that there then can be forgiving  
There has to be knowledge and understanding

All the lonely people  
where do they all come from

An American army regulation  
Says you mustn't kill more than 10% of a nation  
'Cos to do so causes permanent "psychological damage"  
It's not permanent but they didn't know that  
Anyway during the supposed "famine"  
We lost a lot more than 10% of our nation  
Through deaths on land or on ships of emigration  
But what finally broke us was not starvation  
but its use in the controlling of our education  
School go on about "Black 47"  
On and on about "The terrible famine"  
But what they don't say is in truth  
There really never was one

(Excuse me)  
All the lonely people  
(I'm sorry, excuse me)  
Where do they all come from  
(that I can tell you in one word)  
All the lonely people  
where do they all belong

So let's take a look shall we  
The highest statistics of child abuse in the EEC  
And we say we're a Christian country  
But we've lost contact with our history  
See we used to worship God as a mother  
We're suffering from post traumatic stress disorder  
Look at all our old men in the pubs  
Look at all our young people on drugs  
We used to worship God as a mother

		<p>Now look at what we're doing to each other  We've even made killers of ourselves  The most child-like trusting people in the Universe  And this is what's wrong with us  Our history books the parent figures lied to us</p> <p>I see the Irish  As a race like a child  That got itself bashed in the face</p> <p>And if there ever is gonna be healing  There has to be remembering  And then grieving  So that there then can be forgiving  There has to be knowledge and understanding</p> <p>All the lonely people  Where do they all come from  All the lonely people  Where do they all come from  We stand on the brink of a great achievement  In this Ireland there is no solution  to be found to our disagreements  by shooting each other  There is no real invader here  We are all Irish in all our  different kinds of ways  We must not, now or ever in the future,  show anything to each other  except tolerance, forbearance  and neighbourly love  because of our tradition everyone here  knows who he is and what God expects him to do.</p> <p>5 Irish accent: rhotic, dark r's, clear l's, t-opening,  th-stopping.      /ɒ/ becomes /ʌ/ and vice versa.</p>
