

THE PHO'NETICS AND PHO'NOLOGY SONG

I 'hoped that I may'be one day
Would 'learn to speak the 'proper way
Would 'master stress and 'good pronunci'ation
The 'future though then 'seemed so far
Cause 'there was no such 'seminar
At 'last there is a 'syllabus to 'guide me

*It's the Pho'netics and Pho'nology course,
of course*

And 'now we can every 'single week
Get 'lectured about how 'bad we speak
To 'hell with it we em'brace 'criticism
'Chomsky would be 'proud of us
And 'Jakobson would 'join the class
If 'he heard the im'proving stress and 'rhythm

*It's the Pho'netics and Pho'nology course,
of course*

**NOTE: Sung to the accompaniment of
"Halleluyah in the style of Alexandra Burke
