Objeví se začátek žebříčku, sestaveného chronologicky. Nejprve jsou zpívané nahrávky, někde kolem prostředka seznamu, když zpěváci dospějí k roku 2020, začíná chronologie znovu s nahrávkami „Instrumental“.

Tam, kde je vlevo na začátku řádku symbol „Play“ , lze si nahrávku poslechnout kliknutím na ni.

Zajímá mne obdélník vlevo:

Kliknu na symbol „Play“ a v pravém dolním rohu si mohu obdélník zvětšit na celou obrazovku. Jeho obsah je proměnlivý, ale často tam bývá galerie fotografií, někdy i video. Jindy jen jeden neměnný obrázek etikety desky nebo umělce.

Kliknutím na jeho jméno ve velkém nápisu

Druhým zdrojem žebříčku nejnahrávanějšího tisíce standardů je kouzelné slovo „jazzstandards“, které obsahuje několik kapitol a my půjdeme už přímo na písničky, tedy tímto odkazem:

<https://www.jazzstandards.com/compositions/>

Takhle vypadá první strana (její horní část; musíme rolovat dolů)

The screenshot shows the JazzStandards.com website. At the top, there's a navigation bar with links: Home, Overview, Songs, Biographies, History, Theory, Search, Bookstore, Articles, About. Below the navigation bar, there's an advertisement for Sharp MX-6071 MFP A3 color. The main content area is divided into two columns. The left column is titled 'Song Contents' and lists various ranking categories from 'By Rank: 1-100' to 'By Year'. The right column is titled 'Songs and Instrumentals (1-100)' and lists the top 300 jazz standards. The list includes titles and years, such as '1 1930 Body and Soul', '2 1939 All the Things You Are', '3 1935 Summertime', '4 1944 'Round Midnight', '5 1935 I Can't Get Started (with You)', '6 1937 My Funny Valentine', '7 1942 Lover Man (Oh, Where Can You Be?)', '8 1930 What Is This Thing Called Love?', '9 1933 Yesterdays', '10 1946 Stella By Starlight', '11 1947 Autumn Leaves (Les Feuilles Mortes)', '12 1929 Star Dust', '13 1932 Willow Weep for Me', '14 1939 What's New?', '15 1929 Honeysuckle Rose', '16 1925 Sweet Georgia Brown', '17 1936 Caravan', '18 1924 The Man I Love', '19 1935 In a Sentimental Mood', '20 1914 St Louis Blues', '21 1940 How High the Moon', '22 1924 Oh, Lady Be Good!', '23 1941 Take the "A" Train', and '24 1930 Embraceable You'. There are also advertisements for Tefal and Albert on the right side.

Lze stránkovat po stovkách, buď z levé tabulky, nebo naspodu každé stránky kliknutím na „Next→“. Kliknutím na jednotlivé názvy si otvírám spoustu informací ke každé písni až do čísla 300. Třeba „My Funny Valentine“:

The screenshot shows the detailed page for the song 'My Funny Valentine (1937)'. The page is divided into several sections. At the top, there's a navigation bar with left and right arrows. Below the navigation bar, there's a section titled 'More on This Tune' with links: Origin and Chart Information, Getting Started, Music and Lyrics Analysis, Jazz History Notes, Reading and Research, Soundtrack Information, and Comments. To the right of this section is a 'Video Playlist' featuring a video of Pat Metheny playing a trumpet. Below the 'More on This Tune' section is a 'Listen and Compare' section with a large play button icon. To the right of this section is an 'Origin and Chart Information' section. This section includes a quote: "You haven't heard 'My Funny Valentine' if you've missed this classic version with Miles on muted trumpet, backed by one of his most famous quintets..." attributed to Jon Luthro. Below the quote, there's a 'Rank' of 6, 'Music' by Richard Rodgers, and 'Lyrics' by Lorenz Hart. There's also a paragraph about Mitzi Green introducing the song in the Broadway musical 'Babes in Arms'. At the bottom, there's a 'Biography' section with a small image and a link to 'More on Mitzi Green'. At the very bottom, there's a table listing various recordings of the song:

Artist	Album	Amazon
Bill Evans And Jim...	Undercurrent	CD MP3
Chet Baker	My Funny Valentine	CD MP3
Gerry Mulligan	What Is There To Sa...	CD MP3
Chucho Valdes	Live At The Village...	CD MP3
Jacky Terrasson	Smile	CD MP3

Zajímavé bývají ukázky v pravém horním obdélníčku „Video Playlist“, obvykle pět videí, jedno za druhým. Obraz je často velmi neostřý, ale posloucháme hudbu a ukázky jsou vybrány odpovědně. Další stránky se otevírají z obdélníčku vlevo nahoře „More on This Tune“.

Rozklikávat lze mnohá jména, nejen autorů, ale i zmiňovaných hudebníků a názvů dalších skladeb. Však to znáte.
