SUDDEN DEATH OF CHARLIE PARKER

Jazz world mourns great alto star

From Leonard Feather

New York, Tuesday.

THE jazz world was shocked by an announcement on Monday night that Charlie Parker, the greatest influence in jazz since Louis Armstrong, had died forty-eight hours earlier in a Fifth Avenue apartment.

Parker, who made an attempt on his life six months ago, collapsed and died while watching the Dorsey Brothers' TV show at the apartment of the Baroness Kira Rothschild de Koenigsvarter.

Unclaimed

Doctors stated that the contributory causes of his death were lung pneumonia, ulcers and perfusion of the liver.

Only a few weeks ago the Melody Maker denied persistent rumors that Parker was dead. The great alto saxophone star, who was 35, was stricken on Wednesday, but refused to be hospitalized. After his death on Saturday night, his body lay unclaimed in Bellevue Hospital. News of his death was not published until last night.

Though Parker has long not stood firm, it begins to appear even more in Camarillo State Hospital in 1945—his

Jazzdom's "Bop" king, Charlie "The Bird" Parker, 53-year-old saxophonist, died Saturday night in the swank Fifth Ave. apartment of wealthy Baroness Nica Rothschild de Koenigswarter, and has lain unclaimed in Bellevue Hospital morgue ever since, it was learned Monday night.

DR. MILTON HELPERN, New York County Medical Examiner, said an autopsy completed Sunday on the famed jazzband leader showed he had died of lobar pneumonia.

The Baroness—a member of the English wing of the internationally famous House of Rothschild banking family—became Mrs. de Koenigswarter when she married a French diplomat.

Monday night she explained that Parker, "a friend of mine," had been taken ill while visiting her in her suite at the Stanhope Hotel, 995 Fifth Ave., en route to a Boston engagement, and had been treated by the hotel physician.

DR. ROBERT FREYMAN, of 9 E. 79th St., the hotel doctor, said he was summoned to the

ENTERTAINMENT

Jazzman Monk, Baroness Jailed In Delaware

Pianist Thelonius Monk, one of the innovators of progressive jazz music, was jailed in New Castle, Del., along with the Baroness Nica Rothschild de Koenigswarter and saxophonist Charles Rouse, on charges of illegal possession of marijuana and assaulting a state trooper. The trio was en route from New York to the Comedy Club in Baltimore in the Baroness' \$19,000 English-built Bentley limousine. Police said they stopped at the Park Plaza Motel near New Castle because Monk wanted a drink of water. But the motel owners, Mr. and Mrs. Harold Tonge, said Monk began acting strangely and "raved so much," that they asked him to leave. When he refused, the Tonges called police. Monk reportedly attacked State Trooper H. Thomas Little in the motel and again in the court of Magistrate Samuel J. Hattan, where the three were taken for arraignment. Bail was set at \$5,300 for Monk on the narcotics and assault charges.

Začalo to o půlnoci...

Pannonica „Nica“ Rothschildová měla na první pohled vše – vznešený původ, milující rodinu a nevyčerpatelné bohatství. To všechno se ale změnilo, když poprvé uslyšela skladbu 'Round Midnight' v podání jazzové legendy Theloniousa Monka. Jako uhranuta kouzlem se rozhodla opustit své nejbližší i jistotu rodinného zázemí Rothschildů a vydala se do Spojených států geniálního jazzmana vyhledat.

Newyorská společnost živelnou Evropanku mezi sebe nepřijala, ale hudebníci ano. Nalezla u nich otevřenost a přátelství a oni v ní inspiraci a podporu. Její kabriolet běžně zdobil parkoviště jazzových klubů, kde trávila veškerý čas, zatímco popíjela whiskey z placatky maskované jako bible. Největší ranou pro její už tak pošramocenou pověst byla smrt drogově závislého saxofonisty Charlieho Parkera v jejím bytě. To se ale nijak nepodepsalo na její vzpurné povaze. Ani na lásce, s jakou pečovala o Monka až do jeho smrti v roce 1982.

Jazzová baronka je nejen úžasný portrét Niky Rothschildové, ale také doby, ve které žila, a generace Rothschildů, která opustila rodinnou tradici v bankovníctví. Je to fascinující vhled do dějin jejich rodu – od pronásledování nacisty, přes století financování vlád a válek. Vše na pozadí strhujícího života svobodomyslné ženy.
