With a partner ,describe an experience, good or bad , that you have had at an airport or on an airplane. What happened? What did you learn about the experience that will help you the next. What are the most important things to you when you choose an airline (company name, price, reviews, travel destinations, inflight services, entertainment, seat selection)?

Visit the Web site of one or more airlines. Research 5 items that passengers are prohibited from putting in their checked luggage or in their carry-on-bags?
