

Genji monogatari – Sennnen no Nazo (Tale of Genji – the Thousand Year Enigma)

2011

dir. Yasuo Tsuruhashi

based on a novel inspired by the classical work of the Heian period (794-1185) *The Tale of Genji* – world's first psychological novel written cca 1005-1010 and the Japanese magnum opus.

This film was made to celebrate the millennial anniversary of the completion of *The Tale of Genji*.
