11. 2. 2022 - Mezinárodní den žen a dívek ve vědě - 7. výročí

**A CO NA
TO NAŠE
VĚDKYNĚ?**

... jsme na špičce, co se týká nových technologií a analýz...

...pomáháme pochopit fungování světa kolem nás...

...pomáháme chránit biodiverzitu

...snažíme se pochopit jak fungují viry, paraziti a další patogeny...

...objevujeme nové druhy...

...je s námi sranda 😊...

...získáváme ocenění...

...získáváme granty...

...pracujeme v terénu v náročných podmínkách...

Zastoupení žen a mužů na jednotlivých stupních vědecké kariéry na ÚBO v roce 2021 (v %)

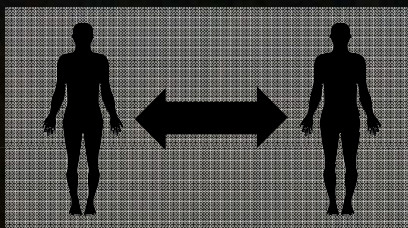

#ZenyVeVede #WomenInScience

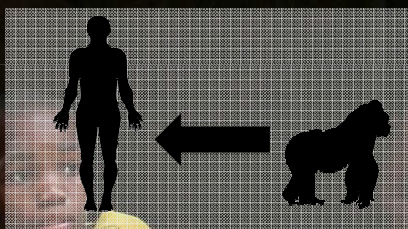

What are we looking at and why does it matter?

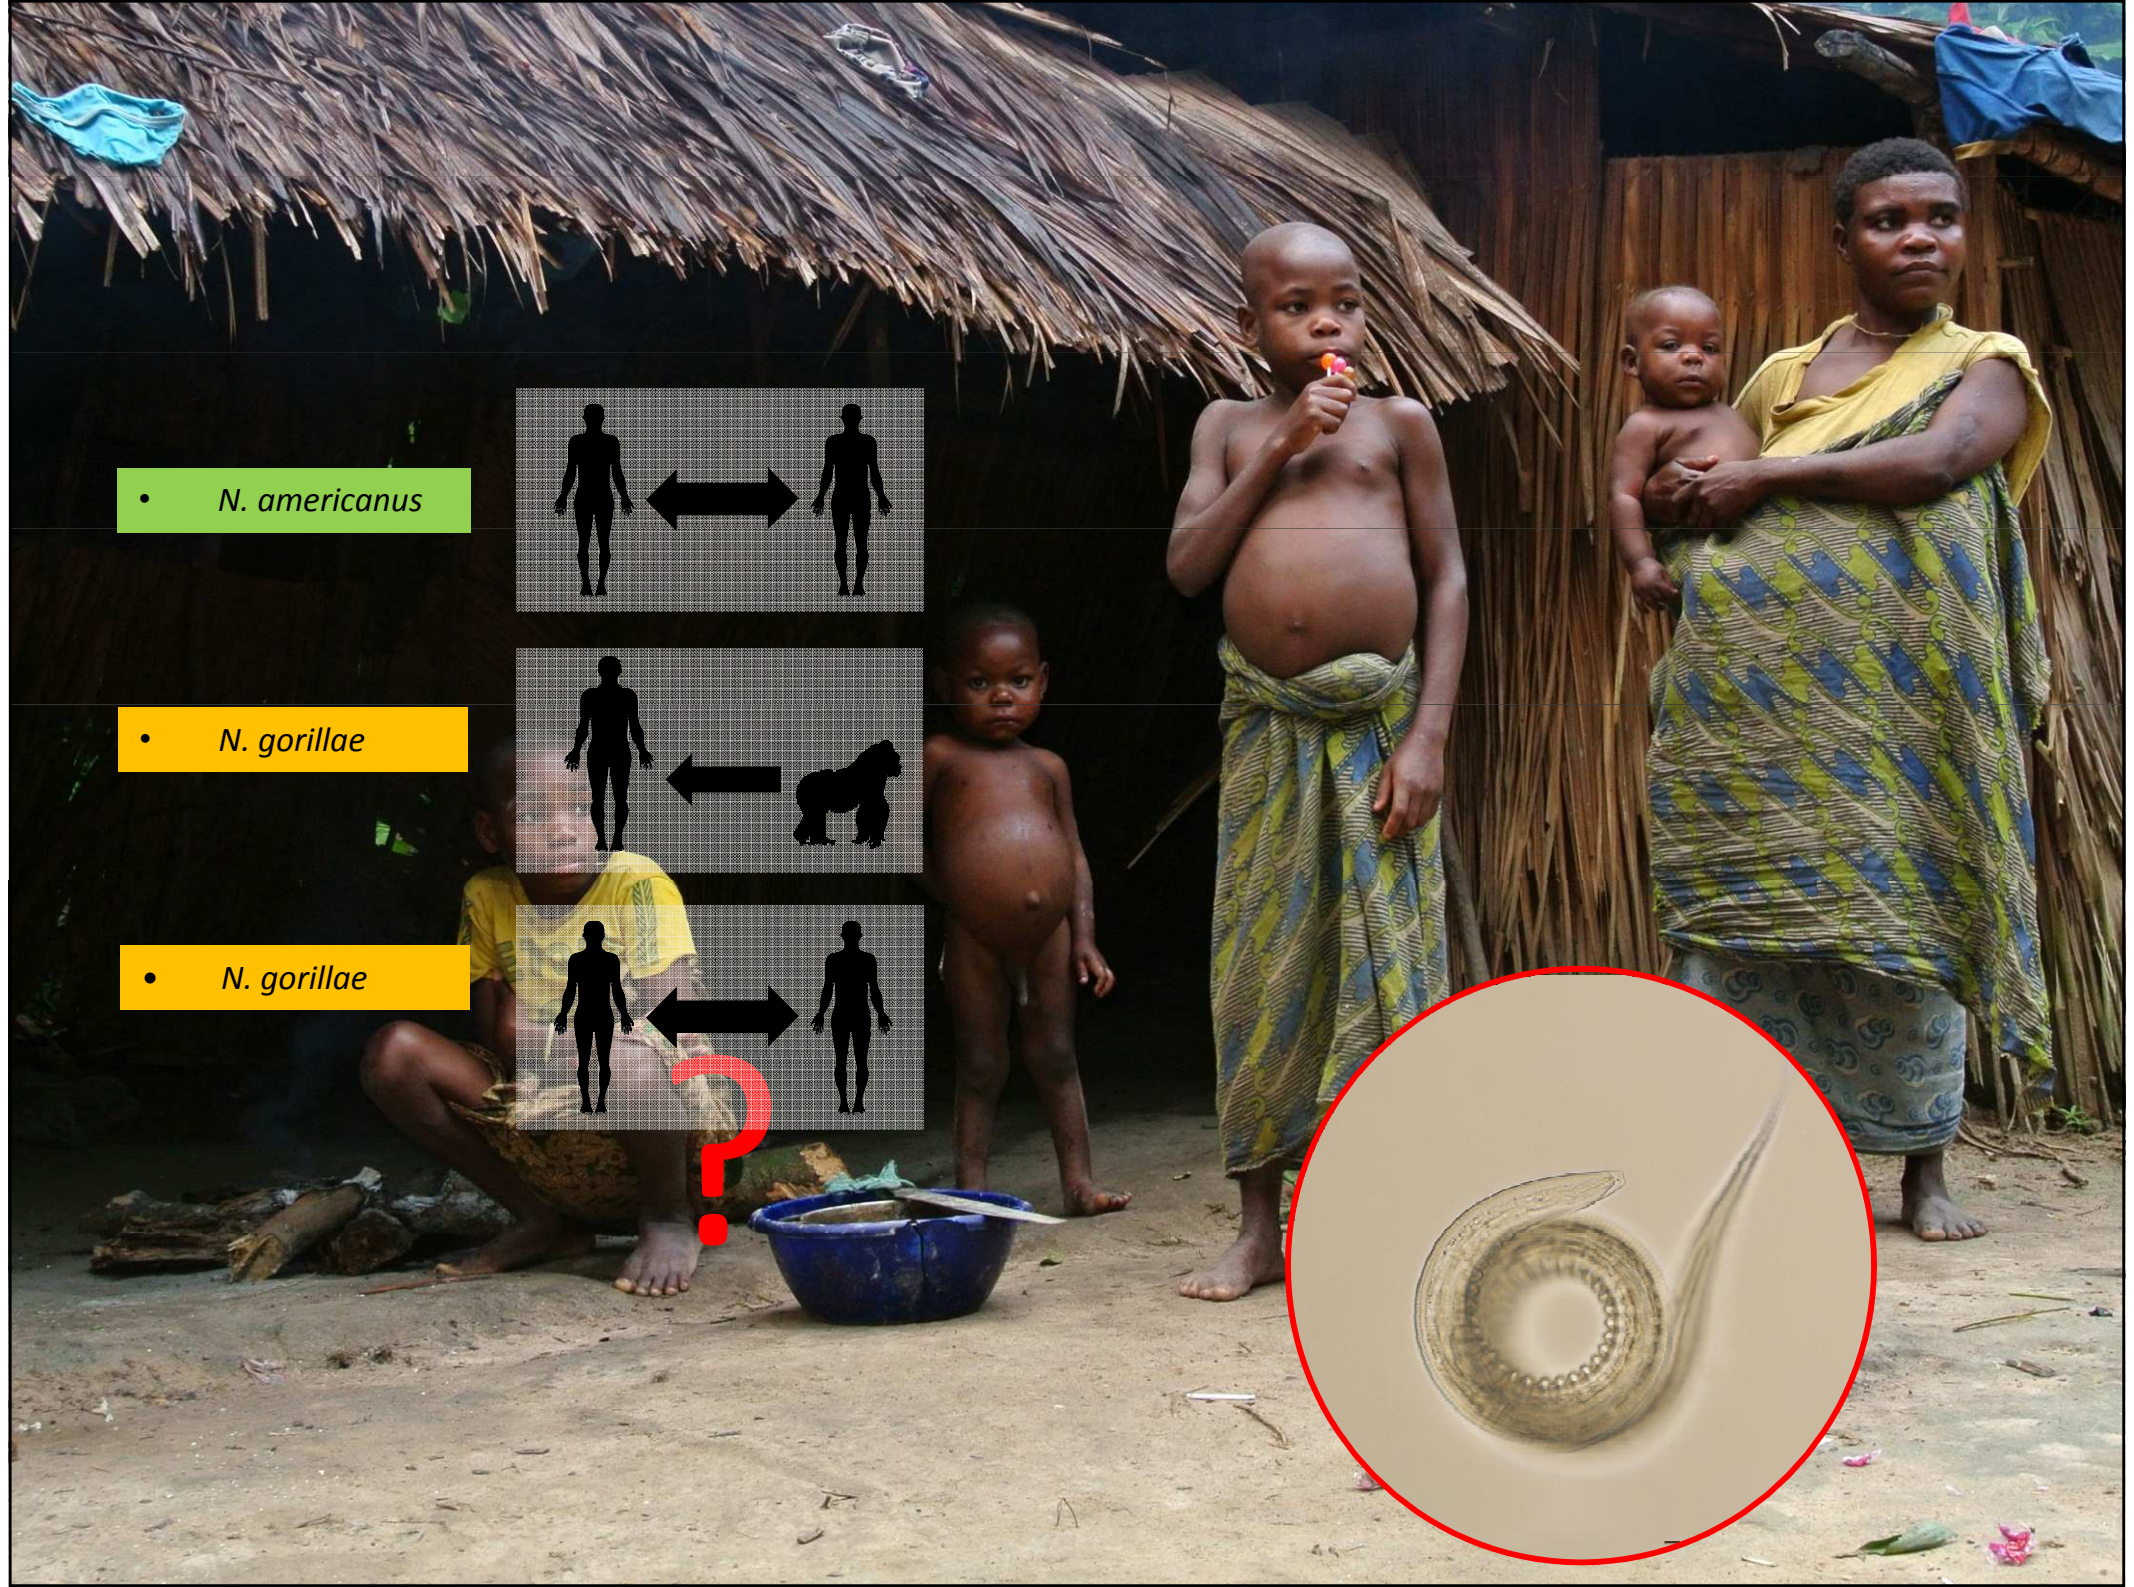

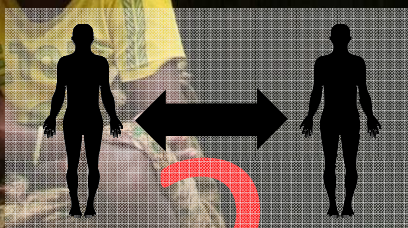

• *N. americanus*

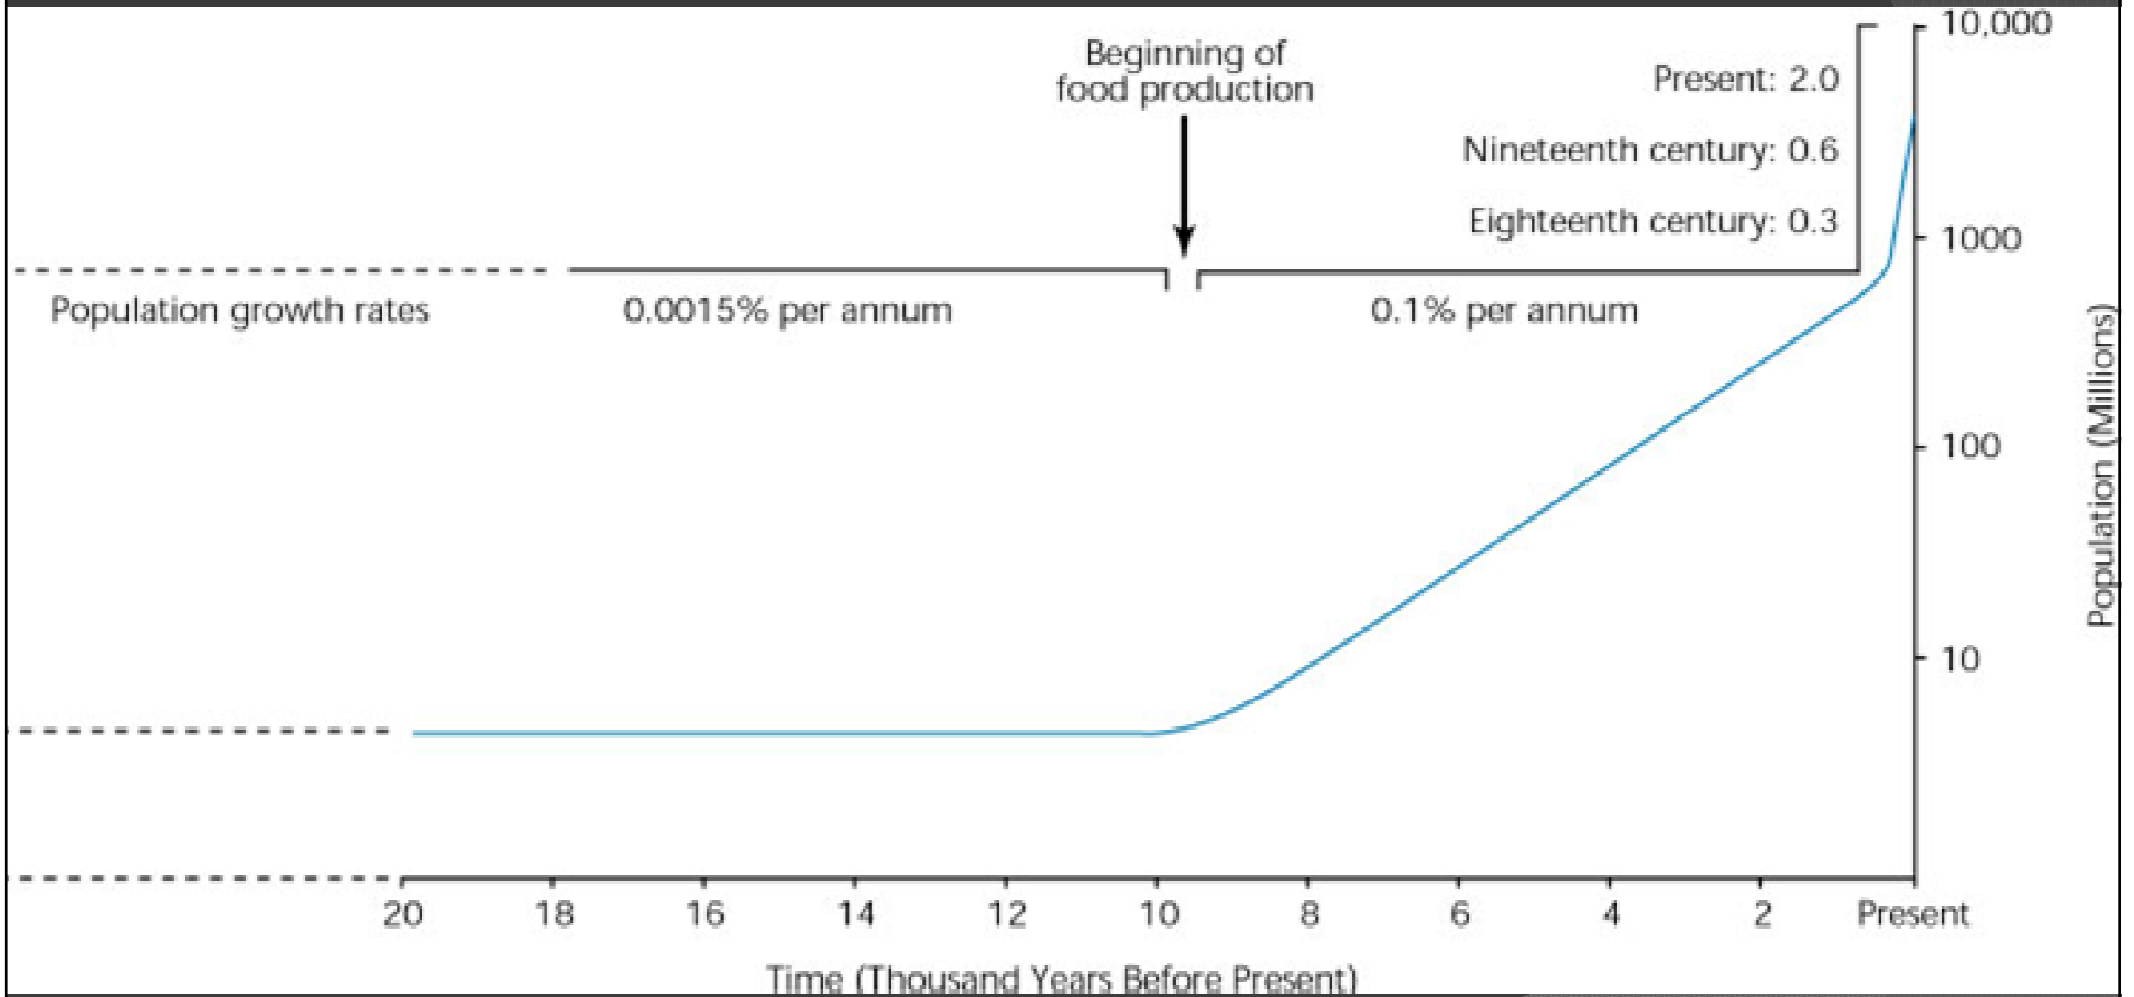

• *N. gorillae*

• *N. gorillae*

Why study Hunter-Gatherers?

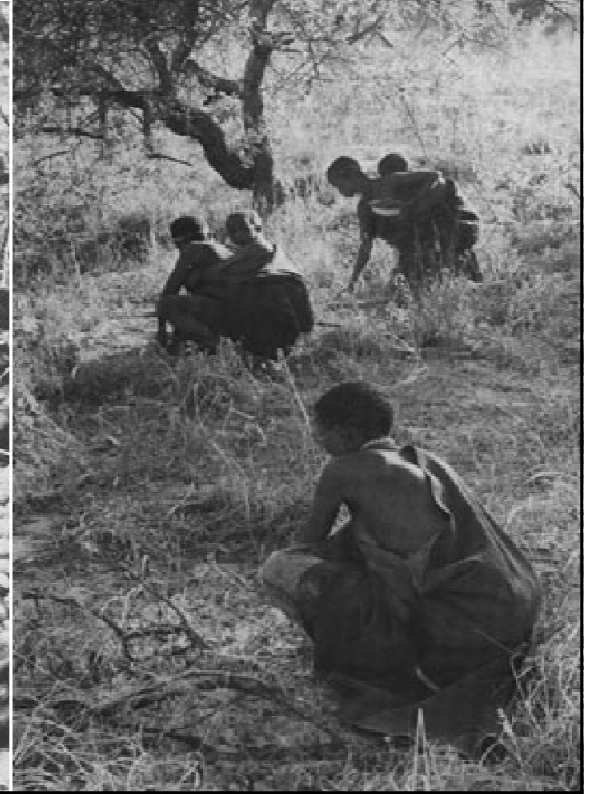

Hunter-Gatherers (Foragers) Defined

- Term Pygmy
 - widely recognized, but considered derogatory
 - not all all hunters- gatherers
 - not all live in the forest

Hunter-Gatherers (Foragers) Defined

- Economically – mode of subsistence
 - reliance on hunting wild animals, gathering wild plant foods, and fishing
 - no domesticated plants and animals (except dogs)

Hunter-Gatherers (Foragers) Defined

- Socially – band level societies, live in small groups where membership is flexible and relations are generally egalitarian
- Multiple child caregiving

Hunter-Gatherers (Foragers) Defined

- Cosmology and world-view
- Complex relationships with neighboring farming groups

Sharing

- Varied patterns
- Intricate
 - Sharing and permission are not as simple as we think!
- Sharing and Reciprocity
