

EIPODs *inspire*

EIPODs Inspire enables young researchers to expand their scientific network and explore cutting-edge life science research.

Selected master's students:

- Receive 18 months' informal mentorship from an EMBL Interdisciplinary Postdoc.
- Attend the EMBL PhD Symposium (EMBL Heidelberg, 7–9 December 2022).

The scheme is open to students studying for a scientific master's degree in:

Croatia | Czech Republic | Estonia | Hungary | Latvia
Lithuania | Luxembourg | Malta | Montenegro | Poland
Portugal | Slovakia

(These are EMBL member or prospect member states eligible for EU Widening Actions under Horizon 2020)

Application deadline:

11 October 2022
