Hodnocení 3letého DSP Speciální pedagogika Godwin Jude Uchenna Irokaba, M. A.
Assessment of 3-years study of Doctoral study programme Special Education studied by Godwin Jude Uchenna Irokaba, M.A.

Godwin Jude Uchenna Irokaba, M.A, is student with specific needs in 3-years English study programme of special education in the period 2014/2015 till 2016/2017 funded by ERASMUS MUNDUS programme for foreign students.

In connection with publication activities student deals with education of students with hearing loss, inclusive and social education of individuals with special educational needs and comprehensively with the field of pedagogy of children, pupils and students with hearing impairment and their communication.

Doctoral student actively participated on several conferences for doctoral students in Slovakia (Faculty of Education, Comenius University Bratislava), in the Czech Republic (repeatedly Faculty of Education, Palackeho University Olomouc, Faculty of Education, Masaryk University Brno) and consultations with erudite academics, such as assoc. prof. Lea Květoňová, Ph.D. and assoc. prof. Kateřina Hádková, Ph.D. from Faculty of Education, Charles University Prague, prof. Miloš Potměšil, Ph.D. and assoc. prof. Jiří Langer, Ph.D. from Faculty of Education, Palackeho University Olomouc, and prof. Darina Tarcziová, Ph.D. from Faculty of Education, Comenius University in Bratislava, Slovakia.

During the studies student was actively involved in specific research projects, aimed for student support, and published the chapter in following publication:

Short term study stay in Nigeria was carried out during autumn period 2016, from which student drew for his dissertation thesis.

Doctoral student Godwin Jude Uchenna Irokaba, M. A. belongs to excelent students, who conscientiously fulfill given tasks. His dissertation thesis written in English presents original research results in processed survey, underpinned by theoretical basis, which is predominantly based on English written literature.

I recommend doctoral student Godwin Jude Uchenna Irokaba, M. A. to the defense of dissertation thesis and the completion of the doctoral exam in the study programme Special Education.
