

## **Annotation**

The presented diploma thesis examines the subject-matter which refers to bankruptcy and subsequent bankruptcy or insolvency proceedings in Czech Republic. The principal source of law underpinning the whole text may be referred to as the wording of Act Nr.182/2006 Coll., on Bankruptcy and Different Type of Proceedings (Insolvency Act), as amended, being effective as of 25 March 2011. The methods which were used in designing, producing and completing the diploma thesis are also emphasized, i.e. the methods of analysis, synthesis and comparison.
